JTPA SUMMARY PROGRAM REPORT (JSPR) FORMAT INSTRUCTIONS "Title II-B" and "Title I, Section 123 (8%)"

1. **Purpose.** The JTPA Annual Summary Program Report (JSPR) (ETA 9047), formerly called the JASPR, displays participant enrollment information and cumulative data on the characteristics of individuals who participated in the Title II-B grant. The form has been modified to allow the collection of financial and cost information. The new cost and financial information will be used to determine levels of program services and will allow the Department to gain greater access to information on program expenditures and participant costs to respond to Congressional and Administration oversight.

In the past, financial information for the JTPA Title II-B grant and for the Title I, Section 123, was exclusively reported on the JTPA Quarterly Status Report (JQSR) (ETA 9040) OMB No. 1205-0323 expiration date July 31, 2001. Now similar financial data and new cost information will be collected on the JSPR as well. Also, a separate JSPR form will be used to capture annual information for the JTPA Title I, Section 123, State Education Coordination (8%) grant on a Statewide basis for the program year ending each June 30. These reporting requirements have been approved by the Office of Management and Budget (OMB) according to the Paperwork Reduction Act of 1995, as amended, under OMB Approval No. 1205-0379.

2. **General Instructions**
